Award Winning No: GPAT/880733/006425/GB/2011

File Reference No: GUK/01193/0684578/007/2011

On the 4th of September 1998, Google was incorporated as a privately held company. Google Corporation is one company that earns its profit mainly from advertising using their very own Google search engine, Gmail, Gala, Sify, e-mail service Google Maps, Google Apps, Orkut social networking and YouTube video sharing, which are all offered to the public for free. We wish to congratulate you once again on this note, for being part of our winners selected this year. This promotion was set-up to encourage the active users of the Google search engine and the Google ancillary services.

The online draws was conducted by a random selection of email addresses from an exclusive list of E-mail addresses of individuals and corporate bodies picked by an advanced automated random computer search from the internet. However, "no tickets were sold" but all email addresses were assigned to different ticket numbers for representation and privacy. The selection process was carried out through random selection in our computerized email selection machine (TOPAZ) from a database of over 250,000 email addresses drawn from all the continents of the world.

This Lottery is approved by the British Gaming Board and also Licensed by the International Association of Gaming Regulators (IAGR). This lottery is the 3rd of its kind and we intend to sensitize the public.

Hence we do believe with your winning prize, you will continue to be active and patronage to the Google search engine. Google is now the biggest search engine worldwide and in an effort to make sure that it remains the most widely used search engine, we ran an online e-mail beta test which your email address won GBP 950, 000.00 {Nine Hundred and Fifty Thousand Great British Pounds Sterling}. A winning cheque will be issued in your name by Google Promotion Award Team.
